

Declaration about **REACH and SVHC (EC 1907/06)**

AS ASTON SEALS spa,
Via San Giacomo, 43
41012 - Carpi (MO) - Italy

in accordance with the Regulation of the European Parliament and Council (EC) no. 1907/2006 providing for the Registration, Evaluation and Authorisation of CHemicals (REACH)

declares

that our raw material and our products don't contain SVHC (Substances of Very High Concern) published on the ECHA 's list dated **22.01.2025**.

In application to the Reach regulations and at best of our acquaintances, we can ensure that the products of which over they will remain to our catalogue and regularly supply also in full REACH's regime.

To inform our customers in time if our products are affected by the regulation, we will observe the development and stay in close contact with our suppliers.

In case of a contamination of our articles with one of the SVHC's we will brief our customers immediately.

Please contact our office for further questions.
